

OFF ROAD

Off Road Hall of Fame

Members of the Off Road Hall of Fame are recognised participants, either as competitors or as officials, who are considered to embody the spirit of off roading and to have made a significant contribution to the sport.

The first 10 were inducted retrospectively in 2000. Each year thereafter, nominations will be accepted from the off road community.

A maximum of two may be selected for induction by a panel appointed by the Australian Off Road Commission. Members are listed in the CAMS Manual of Motor Sport, and presented with a plaque and certificate.
